## EXPERIENCE

### Senior iOS Developer

#### TBC Bank

10/2022 - Ongoing Tbilisi, Georgia

TBC Bank is one of the leading banks in Georgia. With almost millions of users, Its app has a significant impact on the retail industry.

- Optimized and improved the performance of an existing iOS application, resulting in a 30% increase in user engagement and a 20% reduction in app crashes.
- Implemented new features and functionalities, such as Loans, Deposits, IBAN Scanner, which are one of the biggest features that have the most impact.
- Conducted code reviews and provided constructive feedback to junior iOS developers, resulting in an overall improvement in code quality and productivity.
- Collaborated with cross-functional teams, including designers, product managers, and QA engineers, to ensure the timely and successful delivery.

### iOS Developer

#### TBC Bank Business

08/2019 - 10/2022 Tbilisi, Georgia

TBC Bank is one of the leading banks in Georgia. With almost millions of users, Its app has a significant impact on the retail industry.

- Developed and launched a new mobile banking application for businesses and CEO's.
- Implemented mobile app testing and continuous integration practices to streamline the development process and improve the quality of iOS applications.
- Participated in industry conferences and meetups to stay up-to-date with the latest trends and technologies in iOS development, and shared knowledge with the team to promote continuous learning and improvement.

### Founder / iOS Developer

#### Glitter

05/2020 - Ongoing Tbilisi, Georgia

Photo editing app

- Designed and developed a popular app with over 300k downloads, working independently and effectively managing all aspects of the app's development.
- Implemented effective user acquisition and retention strategies, resulting in rapid growth and a loyal user base that contributed to the app's success.
- Received multiple positive reviews and high ratings on app stores, demonstrating the app's quality and user satisfaction.

### iOS Developer

#### Hari

07/2018 - 08/2019 Tbilisi, Georgia

Ridesharing app

- Designed and developed the first ridesharing app in the region.
- Continuously monitored app usage and user feedback to identify areas for improvement and implemented iterative updates and feature enhancements.
